### PRESIDENT'S LETTER

Greetings National Capital Chapter members,

What a fantastic Mid Atlantic Construction Safety Conference! I hope you had the chance to stop in and experience the great content at our annual PDC. Safety professionals from all industries, not just construction, were able to get something out of every time slot, and our exhibitors put on a wonderful display as well. Thank you to all the volunteers who helped make this conference happen, and congratulations to the planning committee on a very well executed MACSC. Be sure to check out the highlights and presentations on the website!

We are just a few short weeks away from having Regina McMichael, author of The Safety Training Ninja, speak at our May chapter meeting. This meeting is going to be packed full of awesome content that you can immediately put into practice to bolster your safety program. Plus, you get the chance to meet your freshly installed Chapter Officers. You won't want to miss this opportunity!

Here we are nearing the end of our chapter season that still feels like it just started. Thank you to all who have participated, volunteered, and helped to lead development for safety professionals in our chapter. I'm excited for the next couple of meetings, and I can't wait to see you there!

Have a safe week,

Matt Law, MPH, CSP, REHS/RS  
National Capital Chapter President
